#### Class 5

- All commercial development exceeding 50,000 sq. ft. of floor area.

**APPENDIX (Continued)**

**The following items provide additional information related to Fees and Charges:**

The City charges various fees on a **cost recovery basis** only.

**Park Land Dedication Fee:** Refer to Municipal Code Sections 16.08

**Business Licenses:** Refer to Municipal Code Sections 5.04-5.64

**AB 939 Fees:** There is a 10% charge on all businesses located in the City, excluding home occupations and a \$1 charge per resident per month for solid waste analysis and reduction. This fee is reviewed annually.

**Franchise fees:** The City has exclusive franchise agreements based on a fixed percentage of gross receipts with the following companies:

Fees for Southern California Edison, Southern California Gas, and California Water Service Company are all based on 2% of gross receipts arising from the use, operation or possession of the franchise and no less than 1% of the gross receipts derived from the sale of electricity, gas, and water, respectively; Cox Communications Palos Verdes, Inc. provides franchise fees for cable television based on 5% of gross receipts; and Browning-Ferris Industries franchise fees for residential solid waste are based on 10% of gross receipts.

The City also has non-exclusive franchise agreements for commercial haulers of solid waste in the City based on 10% of gross receipts which is the same rate charged on the exclusive residential refuse franchise.

**City of Rolling Hills Estates Municipal Code Section 3.04.060 Fees.**

From and after the effective date of the ordinance codified in this section, unless otherwise specified by state law, and excluding those fees established for contract services provided by the county of Los Angeles and others, all permit fees, city service charges and other fees, charges, extractions, and required payments for municipal services, inspections, enforcement activities or for any other purpose, may be established, amended, fixed or modified by resolution of the city council, in addition to any other method prescribed by the Rolling Hills Estates Municipal Code or other law or regulation pertaining thereto. When so prescribed by resolution, the amount thus established shall prevail over any inconsistent provision of the municipal code. (Ord. 519 § 1, 1990)
